

A Note from the **Bellerose Village Tree Board**

Bellerose Village has been officially noted a Tree City, USA for five years. We would like to invite all our residents to participate in our Arbor Day celebration on **Saturday, September 9th, 2017.**

Join us for some light refreshments in Village Hall at 10:30am. Mayor Henry Schreiber will read the proclamation followed by an update on the status of our Village trees. Mike Maxwell, tree board member and resident tree expert, will conduct a guided walk pointing out trees of interest in our Village. All residents who attend the celebration can register to receive a free White Dogwood tree to plant on their own Bellerose Village property.

As a reminder, if you would like a new tree in the front or side of your house, please call the Village Hall at 516 354-1000 and request to be added to the list. In addition, if you have any tree-related inquiries, please submit them via Village Hall and a member from the Tree Board will review and get in touch with you as soon as possible.

Please feel free to contact any Tree Board member if you have any other questions or need more information.

Sincerely, Your Bellerose Village Tree Board
Members: John Tweedy, Chairperson; Kelly Carey, Mike Maxwell, Jennifer Olis, Howard Tripmacher
